- Technology: JavaScript, Node, Express, MongoDB, Sequelize, Handlebars, mySQL, JawsDB, Heroku
- Add-ons: Materialize, Cloudinary, Slick Carousel, Moment, ESLint

EDUCATION:

Georgia Institute of Technology, Atlanta, GA - Full Stack Web Development Certificate | 2021

University of California, Los Angeles, CA - Bachelor of Arts, English

WORK EXPERIENCE:

Owner/Operator JG Captioning Services

July 2013 - Present

Providing remote CART (Communication Access Realtime Translation) services for the hearing-impaired in classrooms, businesses, and doctors' offices, utilizing Zoom, StreamText, 1CapApp, and Skype, and captioning live webcasts for corporate meetings as well as live television.

VITAC, Incorporated

October 2002 – July 2013

Realtime Captioner

Provided realtime closed captioning for live television, local and national news, sports, shopping, and government meetings, utilizing various connection methods, including modems, IPs, or iCap.

Los Angeles County Superior Court

July 1995 – October 2002

Official Court Reporter

Full-time official reporter, covered both civil and criminal courtrooms.

- First reporter in the State of California to provide CART services for a hearing-impaired juror.
- Wrote the CART services manual for Los Angeles County.
